

**STATE OF MAINE**  
**DEPARTMENT OF ENVIRONMENTAL PROTECTION**

**Chapter 500, Stormwater Management**

and

**Chapter 502, Direct Watersheds of Lakes Most at  
Risk from New Development, and Urban Impaired  
Streams**

**Rules**

## **EROSION AND SEDIMENTATION CONTROL**

**38 M.R.S.A. § 420-C**

## **STORM WATER MANAGEMENT**

**38 M.R.S.A. § 420-D**

## TABLE OF CONTENTS

### **Chapter 500, Stormwater Management Law**

<b>Flowchart of Chapter 500 standards .....</b>	<b>i</b>
<b>1. Introduction .....</b>	<b>1</b>
<b>2. Applicability .....</b>	<b>1</b>
<b>3. Definitions.....</b>	<b>1</b>
<b>4. Stormwater treatment standards .....</b>	<b>4</b>
A. Basic standards .....	4
B. General standards.....	5
C. Urban impaired stream standards.....	8
D. Flooding standards.....	9
E. Easements and covenants .....	10
<b>5. Other applicable standards.....</b>	<b>11</b>
A. Management of stormwater discharges .....	11
B. Discharge to freshwater or coastal wetlands.....	12
C. Threatened or endangered species .....	12
D. Additional controls .....	12
E. Authorization for discharges to public storm sewer systems .....	13
<b>6. Compensation fees and mitigation credit .....</b>	<b>13</b>
A. A project required to meet BMP standards that is in an urban impaired stream watershed .....	13
B. A project required to meet BMP standards that is not in an urban impaired stream watershed.....	15
C. A project in a lake watershed that is required to meet the phosphorus standards .....	15
D. Location .....	16
E. Protection from alteration.....	16
F. Maintenance and transfer .....	16
<b>7. Stormwater permit by rule (PBR).....</b>	<b>16</b>
A. When a project qualifies for a stormwater PBR .....	16
B. When a project does not qualify for a stormwater PBR.....	16
C. Notification .....	16
D. Stormwater PBR submissions.....	17
E. Discretionary authority.....	18
<b>8. Submissions and pre-application meetings.....</b>	<b>18</b>
A. Pre-application meetings for Stormwater Management Law projects.....	18
B. Design requirements .....	18
C. Basic standards submissions .....	18
D. General standards submissions .....	20
E. Flooding standard submissions .....	23
F. Transfer .....	23
G. Modification .....	23
H. Permit extension	23

<b>9. Municipal stormwater management programs .....</b>	<b>23</b>
A. Program approval criteria .....	24
B. Reinstatement of permit requirement.....	24
<b>10. Conditions of approval for stormwater projects.....</b>	<b>24</b>
A. Standard conditions of approval .....	24
B. Special conditions .....	26
<b>10-A. Condition of approval for recertification for Site Law developments.....</b>	<b>26</b>
<b>11. Recording of order .....</b>	<b>26</b>
<b>12. Severability .....</b>	<b>26</b>
<b>13. Transition.....</b>	<b>26</b>
<b>14. Permit shield .....</b>	<b>27</b>
<b>15. Experimental measure .....</b>	<b>27</b>
<b>16. Modification.....</b>	<b>27</b>
<b>Appendices .....</b>	<b>28</b>
A. Erosion and sedimentation control .....	28
B. Inspection and maintenance.....	31
C. Housekeeping .....	35
D. Infiltration basins, dry wells and subsurface fluid distribution systems (Section 413 exemption standards).....	37
E. Stormwater basins and ponds.....	43
F. Vegetated buffers .....	47
G. Suggested templates for deed restrictions and conservation easements for use under the Stormwater Management Law .....	54
<b>Additional Definitions .....</b>	<b>64</b>
<b>Chapter 502, Direct Watersheds of Lakes Most at Risk from New Development, and Urban Impaired Streams</b>	
<b>Flowchart of Chapter 500 standards .....</b>	<b>i</b>
<b>1. Applicability .....</b>	<b>1</b>
<b>2. Definitions.....</b>	<b>1</b>
<b>3. Criteria.....</b>	<b>1</b>
A. Direct watershed of a lake most at risk from new development.....	1
B. Urban impaired streams .....	1
<b>Appendices .....</b>	<b>3</b>
A. Lakes Most at risk from development .....	6
B. Urban impaired streams .....	6
